Recruitment of Ex-Offenders policy

Face Front Inclusive Theatre (FFIT/ Face Front) is an inclusive organisation who recognises that all members of society can contribute to our work and continued success. This policy sets out the steps we undertake to enable us to employ ex-offenders whilst still making the safety of our participants, staff and audience of paramount importance.

As an organisation assessing applicants’ suitability for positions which are included in the Rehabilitation of Offenders Act 1974 (Exceptions) Order using criminal record checks processed through the Disclosure and Barring Service (DBS), Face Front complies fully with the code of practice and undertakes to treat all applicants for positions fairly

- Face Front undertakes not to discriminate unfairly against any subject of a criminal record check on the basis of a conviction or other information revealed
- Face Front can only ask an individual to provide details of convictions and cautions that Face Front are legally entitled to know about. Where a DBS certificate at either standard or enhanced level can legally be requested (where the position is one that is included in the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 as amended, and where appropriate Police Act Regulations as amended)
- Face Front can only ask an individual about convictions and cautions that are not protected
- Face Front is committed to the fair treatment of its staff, potential staff or users of its services, regardless of race, gender, religion, sexual orientation, responsibilities for dependants, age, physical/mental disability or offending background
